

Curriculum vitae

- 1. Surname:** Paço (Osmalli)
2. Name: Damiana
3. Birthdate: October 27, 1961
4. Nationality: Albanian
5. Civil Status: Married
6. Profession: Clinical microbiologist

Education	Faculty of Medicine, Tirana ,
Start Date	1980
End Date	1985
Diploma	General Practitioner
Postgraduate Education	Faculty of Medicine, Tirana ,
Start Date	1992
End Date	1995
Diploma	Microbiologist
Title	Master Degree
PhD education	In process

7. Foreign languages

1. English 2. Italian

8. Current position:

Clinical microbiologist Laboratory of General Bacteriology; Department of Epidemiology and of Infectious Diseases Control
Institute of Public Health - TIRANA

9. Qualifications

Country	Purpose
Holland	Production and Control of DTP Vaccines
Greece	Isolation and identification of N.meningitidis
Bulgaria	Vaccine Control
Crete	Diagnosis of brucellosis
Germany	Radiopharmaceuticals
Albania	Labor safety, Quality assurance and SST
Albania	Diagnostic Parasitology
Albania	Applied epidemiology
Germany	Antimicrobial resistance
Sweden	Microbiology of Chronic Wounds, Molecular Diagnosis. Staphylococcus aureus resistance to silver.
Albania	Workshop Campylobacter diagnosis
North Macedonia	Workshop Antimicrobial resistance
Turkey	Pneumococcal surveillance
Sweden	ECDC Antimicrobial resistance and healthcare-associated infection
Cyprus	Workshop WHO Laboratory diagnosis of diphtheria

10. Publications and presentations

1. *Profile of Staphylococcal Antimicrobial Resistance of strains isolated from hospital patients and outpatients.* The 3rd National Conference of the Albanian Association of Clinical Microbiology: Tirana, 20 May 2011. Oral Presentation
2. *Comparison of antimicrobial resistance of hospital MRSA and ambulatory MRSA.* Third National Conference on Hospital Infections: Tirana, October 31, 2012, oral presentation
3. *The incidence of the beta haemolytic streptococcus group A in respiratory tract infections in Tirana* 2nd International Conference on Research and Education in Natural Sciences: Shkoder, 15-16 November 2013. Oral presentation (co-author)
4. *Gamma sterilization in health care products and its efficacy.* 2nd International Conference Research and Education in Natural Sciences 15-16 November 2013. Oral presentation, (coauthor)
5. *Preparation of radiopharmaceuticals for diagnostics and therapy.* Nature Science Bulletin NR16 Year 2013: Article, (coauthor)

6. *Methicilin-resistant Staphylococcus aureus (MRSA) in four Balcan countries*. 22nd European Congress of Clinical Microbiology and Infectious Diseases: London 31 March - 3rd April 2012. Poster presentation (coauthor)
7. *Prevalence of Clindamicin Inducible Resistance of Methicillin Resistance Staphylococcus aureus (MRSA)*. The 5-th Euroasia Congress of Infectious Diseases: Poster presentation, Tirana 15-18 May 2013
8. *“Biotechnology in Agriculture”*: Comparison of five phenotypic laboratory methods for detection of methicilin resistant *Staphylococcus aureus*. First International Conference Tirana 22-23 April 2014, (Poster presentation).
9. *Methicilin resistant Staphylococcus aureus in blood cultures and antimicrobial resistance* .Internacional Conference of Public Health Tirane April 24, (Poster presentation)
10. *Community methicilin resistant Staphylococcus aureus*. Scientific Magazine “Logos”: Article; (CA-MRSA). Nr 2, 2014.
11. *Community staphylococcus aureus methicilin resistant in skin and soft tissues*.Scientific Magazine OPTIME, Nr 2-1014, publication of Albanian University
12. *Prevalence and antimicrobial resisatnce of methicillin resistant Staphylococcus aureus* . International journal of ecosystems and ecology science ISSN 2224-4980 Volume 5/1, 2015.
13. *“Innovative Studies in Medical and Pharmaceutical Sciences”*.International Pharmaceutical Conference: ISBN: 979-9928-127-55-6. Molecular characterization of *Staphylococcus aureus* methicillin resistant. (Poster)
